WINKPR: IN EVERY DIMENSION OF FASHION....

1. Baby Energy - www.baby-energy.com

Now you can show off your most prized possession with Baby Energy!

Baby Energy's infant and toddler bibs capture more than your baby's dribbles; they also capture their unique and playful personality! Finally, bibs that say it all!

With over 40 fun phrases like: "Daddy Rocks," "Double Trouble," "Miso Cute," "Little Dribbler," these interchangeable Velcro patches make it easy to match your baby's mood or outfit. Available in an assortment of vibrant colors. Baby Energy's bibs will make any messy eater look undeniably cute! And the best part? No more high chair madness! Make eating fun! Your child can switch the patches while you sneak in another bite of Mac & Cheese!!

Baby Energy's signature 100% nylon Velcro adhesives are made with soft rounded corners, so they're easy on your baby's skin. They're also easy on you —made to survive baby's daily messes and multiple washings. Plus, with so many patches available, your baby can have a virtually new bib everyday. Let them show off their early sense of style by selecting which patch they want to wear to dinner. Fashionistas beware! It will also aid with hand-eye coordination, placement assessment and give them a truer sense of self!

In those first few months of motherhood, we all need a little extra energy. So, what are you waiting for?

Stay tuned for Baby Energy's exclusive line of apparel.
